The purest essence to the Blue Agave. Brilliant, inviting, fresh, harmonious with hints of citrus and pepper. For maximum enjoyment, we recommend using a Mexican Citrus Press to squeeze the essence of lemon, lime, or orange into the accompanying purified water - this serves to awaken the senses, cleanse the palate, and enhance the already dominant citrus notes of the tequila itself, and bring out the freshness of the Blue Agave.

When poured on its own, Reposado is ideal when paired with chile-laced Mexican chocolate, cinnamon or other spices. If possible, we strongly suggest you keep this chocolate on-hand and near to the bottle.
